

DCCBSP Core Rental Support Information

The Dane County Collaboration of Black Service Providers (DCCBSP) has been granted \$470,000 which will be divided amongst its five organizations to support Black Families in the Dane County Area who are behind on their rent and/or utilities as a result of the COVID-19 pandemic and/or unemployment.

The organizations represented in this round of funding are:

- FOSTER of Dane County
- Neighborhood Connectors
- Urban Triage, Inc.
- Nehemiah Community Development Corporation
- Mt Zion Baptist Church

As a result of applicants' needs, DCCPSP has come together to provide support to community members through the Tenant Resource Center (TRC) rental assistance application. We will offer virtual and in-person rental assistance office hours where applicants will have access to our volunteers who will walk them through an application to ensure that it is complete, accurate, and moves through the acceptance process quickly with no or minimal setbacks.
